

Appendix D. Photographs of the Test Set-Up

Photo 1: Rear Face_0mm	Photo 2: Top Side_0mm
 A photograph showing the rear face of a black electronic device, likely a handheld PDA or rugged smartphone, resting on a stack of white foam blocks. The device has a small label on the back that reads "SAR 1.6W". The background is a blue surface.	 A photograph showing the top side of the same black electronic device, resting on a stack of white foam blocks. The device's screen is visible, and the right side shows several buttons labeled A1, A2, B, A3, and a power button. The background is a blue surface.
Photo 3: Bottom Side_0mm	
 A photograph showing the bottom side of the black electronic device, resting on a stack of white foam blocks. The device's screen is visible, and the left side shows several buttons. The background is a blue surface.
