To Whom It May Concern:

This letter is to comply with Section 0.457(d)(2)(I) pertaining to confidential material. Pepperl+Fuchs, Inc. would like all diagrams showing the functional principle, all PCB electronic diagrams and all images showing internal components must be kept confidential. Use documentation and images showing the product in its full housing (as delivered) do not have to be kept confidential.

The above material contains trade secrets or technical data, which would customarily be guarded from competitors. We do not want these documents to be accessible to the general public.

Sincerely yours,

A handwritten signature in black ink, appearing to read 'H. Hornis', with a long horizontal line extending from the end of the signature.
