Re: Application for Type Acceptance under **FCC ID: IWDBDA48660**

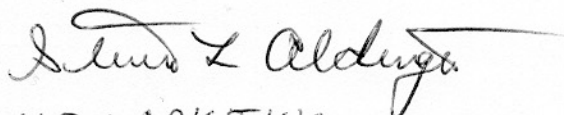

To Whom It May Concern:

Pursuant to Title 47, Section 0.459 of the Code of Federal Regulations, Celwave RF, A Division of Radio Frequency Systems, Inc. is requesting that the FCC hold confidential the documentation listed below which is being submitted with the application for Type Acceptance of the PCS BDA 48660. This information is proprietary and not available to the general public. Release of this information to the public would cause both competitive and financial harm to Celwave RF, A Division of Radio Frequency Systems, Inc.

1. RF Schematic Diagram (Drawing No. JD15851) – EXHIBIT A
2. Digital Schematic Diagram (Drawing No. JD15870) – EXHIBIT B
3. Bill of Materials (Item 48660: 22 pages) – EXHIBIT C
4. Technical Description PCS BDA 48660 – EXHIBIT D

Thank you for your cooperation into this matter.

Yours truly,

VP MARKETING
