

Attestation

We, Sporton International Inc., hereby claim that the product USI TeamPad7500W (model name: FHTLA681) has disabled its Wireless LAN channel 12, 13 and 14. The transmitter does not have any user controls or software to allow it to operate outside the allocated frequency band in the USA.

A handwritten signature in blue ink that reads "Daniel Lee March 3, 2004".
