

Green Mountain Electromagnetics
219 Blake Roy Road
Middlebury, VT 05753 USA

July 6, 2006

Kyle:

This letter shall serve as a letter of authorization for you to serve as our agent for filing and supporting reports and paperwork with the FCC and Industry Canada on our behalf, with the intent of obtaining FCC and IC authorization to sell the "PM4" product with intentional radiator features.

Sincerely,

A handwritten signature in black ink, appearing to read "Scott Hamilton", followed by a long horizontal line.

Scott Hamilton
Electronic Product Engineer
Concept2, Inc.
