Middlebury, VT 05753 USA

July 6, 2006

Kyle:

This letter shall serve as a request to the Federal Communications Commission to hold the schematics for the PM4 Product as Confidential. It is Concept2's preference that the schematics not be viewable by the general public for reasons of intellectual property and design methods.

Sincerely,

A handwritten signature in black ink, appearing to read 'Scott Hamilton', with a long horizontal flourish extending to the right.

Scott Hamilton
Electronic Product Engineer
Concept2, Inc.
