RE: FCC ID: J4K-INVITIUM (EA253930)

The enclosed package is being submitted to the FCC to certify the Planar Dome Invitium which consists of a CISCO PCMCIA Series 350 and a Planar Dome custom antenna. The PCMCIA card has been previously certified by the FCC under identifier LDK102040 for CISCO/Aironet.

This wireless LAN will be used with the Planar Dome Invitium System with Touchscreen PC. The Invitium System is a diagnostic station which will be used in the medical market. The system has been tested and found to comply with the FCC Part 15 Class B requirements under the FCC Declaration of Conformity requirements.

The PCMCIA card and associated antenna(s) are housed within the Invitium Monitor and are not user accessible.
