Attention: Application Examiner

RE: Request for Confidentiality

Applicant: *Martec Access Products*
FCC ID: JCQHLSHCA

To Whom It May Concern:

Martec Access Products requests to withhold permanently from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept permanently confidential:

Permanent Confidentiality

Schematics
Block Diagrams
Operational Description

Rationale for request of confidentiality:

Martec Access Products has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the permanently confidential portions of this application to competitors would provide significant competitive advantages in developing similar products. This proprietary design is unique and will serve as the basis for future designs.

If you have questions or need further information, please contact the undersigned.
Sincerely,

A handwritten signature in black ink, appearing to read "Geoff Engelstein". The signature is stylized with a large, sweeping 'G' and a distinct 'E'.
