Ref: PCBA differences
FCC ID OLD: JCQTTI-TX
FCC ID NEW: JCQHLSHCR

Martec Access Products Inc. ("the applicant") certifies that the PCBA used in transmitter JCQHLSHCR is electrically identical to the original JCQTTI-TX PCBA. The differences between the two are cosmetic and include a difference in enclosure color and the removal of a brand label on the enclosure.

Sincerely,

A handwritten signature in black ink, appearing to read "Geoff Engelstein". The signature is stylized with several loops and a long horizontal stroke at the end.
