Re: Request for confidentiality per Section 0.459 of FCC Rules

Applicant: Alligator Communications
Equipment: 928-929 MHz Part 101 MAS Transceiver
FCC ID: : JIL2888

To whom it may concern,

Request is hereby submitted, on behalf of my client Alligator Communications Inc., to withhold from public review certain portions of the application for equipment certification for the referenced FCC identifier. In particular, the following sections of the application and report are requested to be kept confidential:

Schematics
Block diagrams
Parts list

Rationale for request for confidentiality:

Alligator has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the confidential portions of this application to competitors would give them competitive advantage in developing similar products.

Sincerely,

THOMAS N. COKENIAS
