Re: Request for Confidentiality

Gentlemen:

In reference to the application under FCC ID **JJ4-DD2**, and pursuant to Sections 0.457(d)(1)(ii) and 0.459 of the Commission's Rules, the Applicant hereby requests confidential treatment of the accompanying information as outlined below:

Schematics

Block Diagrams

Theory of Operation

These documents contain detailed system and equipment description and related information about the product that **Gyration, Inc.** considers to be proprietary, confidential, and a custom design and, otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, **Gyration, Inc.** considers that this information would be of benefit to its competitors, and that disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,

G D
