# **VISTA 2**

QUICK START GUIDE

GUIDE DE DÉMARRAGE RAPIDE

# CONTENTS

---

## English

3

Download the Jaybird App for guided setup.

For more information, visit [jaybirdsport.com/support/vista2](https://jaybirdsport.com/support/vista2)

## Francais

9

Téléchargez l'application Jaybird pour une installation guidée.

Pour plus d'informations, rendez-vous à la page:

[jaybirdsport.com/support/vista2](https://jaybirdsport.com/support/vista2)

## Español

15

Descarga la aplicación Jaybird para realizar una configuración guiada.

Para obtener más información, visita [jaybirdsport.com/support/vista2](https://jaybirdsport.com/support/vista2)

## Português

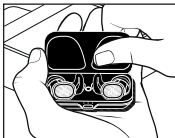

20

Faça o download do aplicativo Jaybird para realizar uma configuração orientada. Para mais informações, visite [jaybirdsport.com/support/vista2](https://jaybirdsport.com/support/vista2)

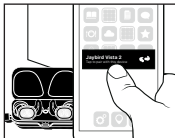

# QUICK START

## Self

- 1** Take the case out of the box & open it

- 2** Go to BT settings / select Vista 2

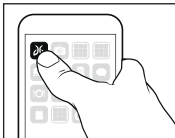

Done

## App guided

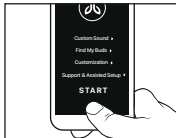

- 1** Download & Open Jaybird App

- 2** Follow on screen instructions

Done

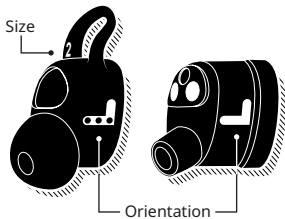

# **FIT**

For an assisted fit setup, please download the Jaybird App or visit [www.jaybirdsport.com/support/vista2](http://www.jaybirdsport.com/support/vista2)

Start with the pre-installed size 2 on the earbud.

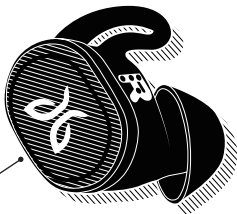

- If the earbud does not feel secure enough please try size 3.
- If you feel some discomfort or pressure, please try size 1.

It is not uncommon to use a different size in each ear.

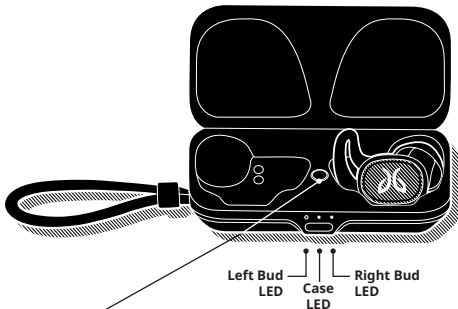

# CONTROLS

Download the Jaybird app to customize your button controls.

# **WATERPROOF**

---

Your Jaybird headphones feature an IP68 waterproof rating. Jaybird headphones are designed to handle rain, mud, dust and outdoor adventures.

Jaybird headphones are not designed for swimming, showering or exposure to pool or ocean water. In case of exposure to salted or chlorinated water, rinse the headphones gently with fresh water and air dry before use.

The charging case is IP54 and water resistant. Please ensure your headphones are completely dry before putting them inside the case.

# **CARE & MAINTENANCE**

---

Please see [jaybirdsport.com](https://jaybirdsport.com) for proper care and maintenance instructions.

# MAINTIEN

Pour bénéficier d'une configuration assistée, veuillez télécharger l'application Jaybird ou rendez-vous sur [www.jaybirdsport.com/support/vista2](http://www.jaybirdsport.com/support/vista2)

Commencez avec la taille 2 pré-installée sur l'écouteur.

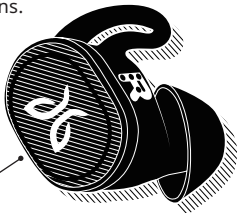

- Si l'écouteur ne semble pas correctement maintenu, essayez la taille 3.
- Si vous ressentez une sorte de gêne ou de pression, essayez la taille 1.

Il n'est pas rare d'utiliser une taille différente pour chaque oreille.

# COMMANDES

Téléchargez l'application Jaybird pour personnaliser vos commandes de boutons.

# ÉTANCHE

---

Vos écouteurs Jaybird possèdent un indice d'étanchéité IP68. Les écouteurs Jaybird sont conçus pour supporter la pluie, la boue, la poussière et les aventures en extérieur.

Les écouteurs Jaybird ne sont pas conçus pour la natation, la douche ou l'exposition à l'eau des piscines ou des océans. En cas d'exposition à de l'eau salée ou chlorée, rincez doucement les écouteurs avec de l'eau douce et laissez-les sécher à l'air libre avant de les utiliser.

L'étui de charge est IP54 et résistant à l'eau. Veuillez vous assurer que vos écouteurs sont entièrement secs avant de les mettre dans l'étui.

## ENTRETIEN ET MAINTENANCE

---

Consultez [jaybirdsport.com](https://jaybirdsport.com) pour y trouver les instructions d'entretien et de maintenance.

# **ASSISTANCE**

---

Nous voulons nous assurer que vous bénéficiez de la meilleure expérience possible.

**TÉLÉCHARGER**   **VISITEZ NOTRE SITE WEB**

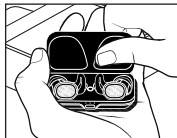

Application Jaybird

[www.jaybirdsport.com/vista2](http://www.jaybirdsport.com/vista2)

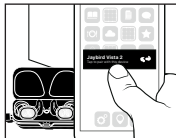

# INICIO RÁPIDO

## Operación individual

- 1** Extrae la funda de la caja y ábrela

- 2** En los ajustes de BT, selecciona Vista 2

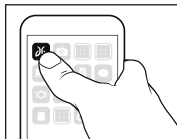

Listo

## Con la aplicación

- 1** Descarga y abre la aplicación Jaybird

- 2** Sigue las instrucciones que aparezcan en pantalla

Listo

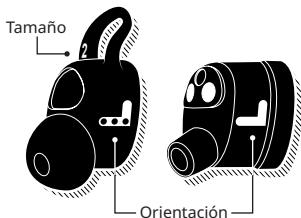

# AJUSTE

Para un ajuste guiado, descarga la aplicación Jaybird o visita [www.jaybirdsport.com/support/vista2](http://www.jaybirdsport.com/support/vista2)

Empieza con el tamaño 2 preinstalado en el audífono.

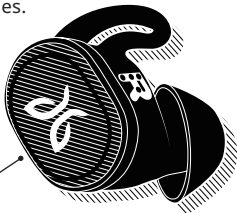

- Si el audífono no se ajusta con suficiente seguridad, prueba el tamaño 3.
- Si sientes alguna molestia o presión, prueba el tamaño 1.

No es extraño usar un tamaño diferente en cada oído.

# CONTROLES

Descarga la aplicación Jaybird para personalizar los controles de los botones.

# **RESISTENTES AL AGUA**

---

Tus audífonos Jaybird poseen una calificación IP68 de resistencia al agua. Los audífonos Jaybird se diseñaron para aguantar la lluvia, el barro, el polvo y las aventuras al aire libre.

Los audífonos Jaybird no se diseñaron para nadar, ducharse o exponerlos al agua de la piscina o del océano. En caso de exposición al agua salada o clorada, enjuaga los audífonos suavemente con agua dulce y sécalos al aire antes de usarlos.

La funda de carga tiene una calificación IP54 y es resistente al agua. Asegúrate de que los audífonos estén completamente secos antes de colocarlos dentro de la funda.

# **CUIDADOS Y MANTENIMIENTO**

---

# **À PROVA D'ÁGUA**

---

Os headphones Jaybird apresentam a classificação IP68 de resistência à água. Os headphones Jaybird estão desenhados para resistir à chuva, lama, poeira e aventuras ao ar livre.

Os headphones Jaybird não estão desenhados para serem usados em piscinas, chuveiros ou para serem expostos à água de mar ou piscina. Caso sejam expostos à água salgada ou clorada, enxágue os headphones cuidadosamente e seque-os antes de usar.

O estojo de carregamento é IP54 e resistente à água. Assegure-se de que os headphones estejam completamente secos antes de colocá-los no estojo.
