Read Manual Before Product Use.

POWER SUPPLY WARNING! The power supply is for indoor use only. Only use the power supply included with your product. Do not attempt to repair or use a damaged power supply. Do not immerse the power supply in water or subject it to physical abuse. Inspect the power supply regularly for cable, plug, and casing damage.

This product is intended to be supplied by a Listed/Certified power supply, rated X.X Vdc, X.X A minimum, Tma (maximum ambient temperature) XX degree C and altitude XXXX m. If needed, please contact the Manufacturer for further information.

Use Guidelines: Safe & Proper Use of Your Product

- **WARNING!** The product contains small, detachable parts, which may cause choking, personal injury, or death, especially in children. Please exercise care in the use and handling of small parts, and keep them away from children under 4 years of age.
- Do not modify the product. Do not disassemble or attempt to service this product.
- Use this product only with listed ITE computers and accessories.
- Only use attachments/accessories specified by the manufacturer.
- Connect power supply to a properly wired and grounded electrical outlet.
- This is not a Children's Product and is not intended for use by children under 14 years old.
- This product is safe under normal and reasonably foreseeable operating conditions. If product is operating improperly, call Logitech support. Product must be returned to Logitech for any service or repair.
- Refer to product Quick Start Guide for use instructions.

See the product support page on the Logitech website www.logitech.com/support for additional information.

Logitech Compliance: The product complies with all applicable requirements for Restriction of Hazardous Substances (RoHS) and Waste Electronic and Electrical Equipment (WEEE). For Product Safety, EMC, RF, Energy, RoHS and WEEE information, go to www.logitech.com/compliance. Maintenance is not required for product compliance

Batteries, electronic and electrical equipment should not be disposed of with household waste. Wherever possible, they should be segregated and brought to an appropriate collection point to enable recycling and avoid potential impacts on the environment and human health. For more information, contact your local authorities or place of purchase, or visit www.logitech.com/recycling.

FCC statement

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: 1) this device may not cause harmful interference, and 2) this device must accept any interference received, including interference that may cause undesired operation.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy. And, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Warning: Where shielded interface cables or accessories have been provided with the product or specified additional components or accessories elsewhere defined to be used with the installation of the product, they must be used in order to ensure compliance with FCC. Changes or modifications to product not expressly approved by Logitech, Inc could void your right to use or operate your product by the FCC.

Radiation Exposure Statement

This wireless product complies with FCC radiation exposure limits for portable devices. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.
