

IID – Non-CCP – SMARTPHONES – Clip + Bluetooth - English – AMR (US ONLY)

This IID is for use with SMARTPHONE - Clip + Bluetooth products

English

Read Product Information Before Product Use.

BATTERY WARNING! Improperly replaced batteries may present a risk of leak or explosion and personal injury. Mistreated batteries may present a risk of fire or chemical burn. Do not disassemble or expose to conducting materials, moisture, liquid, or heat above 54°C (130°F). Do not use or charge the battery if it appears to be leaking, discolored, deformed, or in any way abnormal. Do not leave your battery discharged or unused for extended periods. Do not short circuit. Your device may contain an internal, rechargeable battery that is not replaceable. Battery life varies with usage. Non-operational batteries should be discarded according to local laws and must be carefully discarded to keep away from children. If no laws or regulations govern, dispose of your device in a waste bin for electronics.

BUTTON BATTERIES—WARNING! Coin-sized and button batteries may be easily swallowed, which may cause personal injury and death in children and senior citizens. Keep these batteries away from children! Do not allow children to play with or be in contact with these batteries or this product at any time. Add further security to the battery compartment as necessary. Never place batteries in your mouth for any reason as they may be swallowed accidentally. Always check medication before ingesting as adults have mistaken button batteries for pills or tablets. If a button battery is ingested, seek medical attention immediately. Contact the National Battery Ingestion Hotline at (202) 625-3333. It is available 24 hours a day.

For Product Safety, EMC and RF information, go to www.logitech.com/compliance. Maintenance is not required for product compliance.

Safe Usage Guidelines for Products

- Do not open or modify the product except for battery removal and replacement.
- Do not disassemble or attempt to service this product.
- This product is safe under normal and reasonably foreseeable misuse operating conditions.
- If product is operating improperly, call Logitech support.
- Product must be returned to the manufacturer for any service or repair.
- This is not a Children's Product and is not intended for use by children under 14 years old.
- Keep magnet away from devices and objects that could be damaged or impacted by strong magnetic fields. Magnet may interfere with certain medical devices.
- The metal adapter will conduct heat from the phone. Use caution when handling.

Logitech Compliance. For Product Safety, EMC and RF information, go to www.logitech.com/compliance. Maintenance is not required for product compliance.

IID – Non-CCP – SMARTPHONES – Clip + Bluetooth - English – AMR (US ONLY)

This IID is for use with SMARTPHONE - Clip + Bluetooth products

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: 1) this device may not cause harmful interference, and 2) this device must accept any interference received, including interference that may cause undesired operation.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy. And, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Warning: Where shielded interface cables or accessories have been provided with the product or specified additional components or accessories elsewhere defined to be used with the installation of the product, they must be used in order to ensure compliance with FCC. Changes or modifications to product not expressly approved by Logitech, Inc could void your right to use or operate your product by the FCC.

Logitech Limited Hardware Product Warranty – A Summary

Logitech warrants that its hardware product shall be free from defects in materials and workmanship for the length of time identified on your product package beginning from the date of the original retail purchase. See support.logitech.com for specific warranty information about your product and procedures to act on a warranty claim.

Logitech's entire liability and your exclusive remedy for any breach of warranty shall be, at Logitech's option, to repair or replace a functional equivalent of the product, or to refund the price paid, if the hardware is returned to the point of purchase or such other place as Logitech may direct along with a receipt. Warranty protections are in addition to rights provided under local consumer laws and may vary among countries. See full warranty information to know your consumer rights and the additional protections provided by this product warranty.

Logitech Address: Logitech, Inc., 7700 Gateway Blvd. Newark, California 94560.
