

Label Location Information

This device complies with Part 15 of the FCC Rules.

Operation is subject to the following two conditions:

(1) this device may not cause harmful interference, and
(2) this device must accept any interference received, including interference that may cause undesired operation.

Connection and use of this communications equipment is permitted by the Nigerian Communications Commission.

To prevent possible hearing damage, do not listen at high volume levels for long periods.

Aviso! A exposição a ruídos acima de 85 decibéis por longos períodos de tempo pode causar danos auditivos. Proteja a sua audição utilizando este equipamento em um nível de volume seguro.
