Re: Supersede request

To Whom It May Concern:

It has come to our attention that the incorrect versions of the 2.911(d)(7) US Agent for service of process attestation were provided to the TCB and consequently submitted to the filing.

The applicant requests that each attestation is signed individually for the specific FCC ID.

As such, we kindly request that the FCC permit the supersede of the affected exhibits with the revised versions accordingly for the following FCC ID:

FCC ID	Application Type	Grant Date
JNZVR0039	Original	2025-03-06

If you have any questions, feel free to contact us. Thank you.
