

Statement of differences

Here, we will explain the procurement of memory from multiple suppliers.

1. the procurement of memory from multiple suppliers.

EB1236 source MCP(ROM and RAM) from two different vendors each and use them interchangeably. MCP is procured from Micron and Samsung.

MCP(ROM and RAM)

Micron: MT30AZZZCD94TKXL-023 W.237

Samsung: KM9YC001XM-B627
