Request for iUTC_InstallManual
Confidentiality_UT... _Q08T-EE-001...

Hi Mike,

Here are answers.

Question #1: Internal Photo is listed in the request for confidentiality letter. This user terminal device will be installed in the end-used environment. Internal photos can not be granted as confidential document. Please remove this item from the request letter.

<answer>

Please refer to the attached revised request letter.

Question #2: User Manual does not contain information to address RF exposure requirement. Please provide revised user manual to comply this requirement.

<answer>

Attached please find the revised user manual. The last page of the revised user manual contains RF exposure Statement.

Question #3: Based upon the configuration during normal usage, this device is also classified as PC peripheral device. Information required per section 15.21 and 15.105(b) of FCC rules are required in the user manual.

<answer>

Attached please find the revised user manual. The last page of the revised user manual contains FCC Compliance Statement.

Regards,

Mika
