RE: Short Term Confidentiality Request for **FCC ID: JQ6-DTCHPLUS**

To Whom It May Concern:

In accordance with sections 0.457 and 0.459 of CFR 47, **HID Global Corporation** requests short-term Confidentiality of following sections of this application for a period of 45 days after grant is issued.

Test setup photos
Internal photos
External photos

These documents contain detailed system and equipment descriptions and related information about the product, which **HID Global Corporation** considers to be proprietary, confidential, and a custom design and otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, **HID Global Corporation** feels that this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give our competitors an unfair advantage in the market.

Please contact me if there is any information you may need.

Sincerely,

Steven Peterson
