Dear Sir / Madam:

Re: Class II Permissive Change filing with FCC ID: JQU801630

The purpose of this application is to apply for a Class II permissive change to the G4 Transponder (product) certified under FCC ID: JQU801630 in accordance with 2.1043 of the Commissions rules.

Minor design changes made to ensure system performance over temperature to the product and have been described fully in the exhibits submitted with this filing.

The product has been retested and found to continue to comply.

Please do not hesitate to contact me should you require any further information.

Sincerely

Name and Title: Grace Siu, Project Manager
Company: Mark IV Industries Corporation.
