

Request that submitted material be withheld from Public Inspection
Pursuant to 47 CFR 0.457(d) and 0.459

Product: 3111A iCLASS OEM 300 Module

It is requested that the following material be withheld from public inspection:

Description of the 3111A iCLASS OEM 300 Module, Circuit Functions, how the device operates, Ground System, and Antenna

Block Diagram

Schematic

These materials are considered HID Corporation Proprietary and Confidential.

Revealing the fundamental design for the product to the public, the OEM, and our competition would put us at a competitive disadvantage.

We feel we have a product cost/design advantage over our competition with our iCLASS OEM Module family and therefore ask that the above-specified materials be withheld from public and OEM inspection.
