

D-Link Corporation

NO.8,Li Hsing Rd VII ,SCIENCE-BASED
INDUSTRIAL PARK,HSINCHU,TAIWAN,R.O.C.
TEL: ++886 3-577-9110 FAX: +886 3-578-1861

D-Link Corporation will take the responsibility seriously in manufacturing 802.11a WLAN products. Our quality control systems and the power tables used to set the output power for each individual device are calibrated to ensure that all devices manufactured meet the FCC's requirements.

Sincerely,

A handwritten signature in cursive script, appearing to read "Shinglin Chung", is written over a horizontal dashed line.

Shinglin Chung / Project Manager
