Nov. 24, 2004

Dear Sir or Madam:

In regards to our product KA9HJC-X2 we are making certain component changes due to the fact that the manufacturer of the component has discontinued the part. We are not Changing the power nor the frequency, the parts will have the same component value but Different manufacturers.

Regards,

A handwritten signature in black ink, appearing to read "R. Shin", with a long, sweeping horizontal line extending to the right.
