Gentlemen: 433.92MHz Wall Station Transmitter for Garage Door Openers, Model: 5BWS-B433

Wayne Dalton Corporation respectfully requests confidentiality of certain materials provided with the submission of the under FCC ID: KJ8WST-433BSW in accordance with FCC regulations 0.459. The confidentiality request applies to the Schematics and Block Diagrams contained in Section 4. The 433.92MHz Wall Station Transmitter for Garage Door Openers, Model: 5BWS-B433 has been developed at considerable effort and expense by Wayne Dalton Corporation. These items are considered as Trade Secrets and therefore public access to the proprietary material could possibly result in duplication of equipment that could severely damage the company's business advantage.

I appreciate your assistance in this matter.

Sincerely,

A handwritten signature in black ink that reads "Richard Bardin". The signature is fluid and cursive, with the first name and last name clearly distinguishable.

Richard Bardin
