To Whom It May Concern,

Digital Control Inc. ("Company") has contacted SIMCom Wireless Solutions Limited ("SIMCom") regarding Company's intention to file applications for a change in identification in the United State's pursuant to Section 2.933 of the Federal Communications Commission's ("FCC") rules, and/or a multiple listing in Canada pursuant to Section 11.5 of Innovation, Science and Economic Development Canada ("ISED") Certification of Radio Apparatus (RSP-100 Issue 12), with respect to the following:

	Model Name/ PMN	Model No./ HVIN	Grant ID / Certification No.	Original Grant Date
FCC	Wireless Module	A7672G	2AJYU-8BAE005	July 9,2024
ISED	Wireless Module	A7672G	23761-8BAE002	September 23,2025

Company has requested SIMCom's permission to reference, in Company's applications, certain documentation relating to the equipment identified in the table above. This letter is provided to permit Ashley Olson, Digital Control Incorporated, 19625 62nd Avenue South, Suite B103, Kent, Washington, 98032; email: productcompliance@digital-control.com; phone 1 -800-288-3610 to use the publicly available test data and application exhibits submitted to the FCC and ISED on behalf of SIMCom with respect to the equipment identified above pertaining to the grants of equipment certification covered by this letter.

Company has represented to SIMCom that its equipment submitted to the FCC and ISED is identical in design and construction to the equipment approved by the FCC and ISED as identified in the table above. Based on the Company's representation to SIMCom, SIMCom understands that the Company will market the above equipment under the following certification numbers:

	Certification No./Grant ID
FCC	KKG8BAE005
ISED	2213A-BAE005

Based on the Company's representations to SIMCom, the Company may list the existing certified product under the Company's new certification number, subject to FCC and ISED rules.

The original ISED identification for the aforementioned equipment remains valid. SIMCom authorizes Innovation, Science and Economic Development Canada officials to use documents on file with the Department from the original SIMCom certification to support this new Digital Control Incorporated filing.

This permission to act using data and applications previously filed with the FCC and ISED on behalf of SimCom is limited to the matters set forth herein. This letter does not, and shall not be construed to grant rights or permissions beyond those expressly granted to the party named herein.

If you have any questions concerning this letter, please contact me by email at: xiaoqin.lu@simcom.com or by phone at 15821561867.

Respectfully,

SIMCom Wireless Solutions Limited.
