June 15, 2016

To whom it may concern,

We are seeking new single certification approval of the DigiTrak Falcon Short Range Transmitter model BTS under Part 15.209 of FCC Rules. The FCC ID number for this product is KKGP62019. The product is a low frequency (4.5-45.0 kHz) sonde used for the purpose of guiding a horizontal directional drill operation.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Bruce E. Kolpack', is written over a horizontal line.

Bruce E. Kolpack
Digital Control Incorporated
