Pursuant to FCC 22-84 Report and Order and KDB 986446 D01 Covered Equipment v01, the Commission adopted new FCC requirements to protect the nation's networks and supply chains from equipment that poses an unacceptable risk to national security or the safety of U.S. persons. Specifically, the Commission adopted rules that prohibit equipment authorization for "covered" telecommunications equipment and video surveillance equipment produced by entities identified on the Commission's Covered List.

Certification designating a U.S. agent for service of process. As required by section 2.911(d)(7), the applicant must designate a contact located in the United States for purposes of acting as the applicant's agent for service of process, regardless of whether the applicant is a domestic or foreign entity.

An applicant located in the United States may designate itself as the agent for service of process.

1. If the agent is different from the applicant. Then attestation needs to be signed by both the applicant and the designated agent for service of process
2. Secure Care Products ("the applicant") consent to accept the service of process.
3. Secure Care Products (if different from the applicant) has the obligation to accept the service of process. (If the Applicant is designates itself as the agent of process then delete this line. Designated Agent can not be the TCB or the Test Lab or their personal.)
4. 39 Chenell Drive Concord NH 03301
5. FRN Number: 0009129099

Secure Care Products acknowledges to maintain an agent for no less than one year after the grantee has terminated all marketing and importation or the conclusion of any Commission-related proceeding involving the equipment. If the agent changes then the TCB and the FCC must be notified.
