22 April 2004

Ross Forman
SMART Modular Technologies, Inc.
4211 Starboard Dr.
Fremont, CA 94538-6427

Dear Mr. Forman:

Cincon Power Supply Models T3E-05v055, T3A-05v055 and T3U-05v055 use exactly the same electrical circuitry only the AC input connector and plastic housing differ among the models.

Best Regards,

A handwritten signature in blue ink that reads "Eric Chang" followed by a date "4-22-2004".

Eric Chang
