

Re: Certification for
Siemens VW Low Power Transmitter
Model: 5WK48165
FCC ID: KR55WK48165
CANADA: to be provided by IC

FCC/IC ID LABEL

The below shown label will be molded in a side of the device as shown in the drawings below.
Also see photo in Exhibit I (p. 2).

Full size

The following statement will be printed in User's Instruction Manual (see EXHIBIT J, p. 1):

This device complies with Part 15 of the FCC Rules and with RS-210 of Industry Canada.
Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

WARNING: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
