Request for a Class II Permissive Change

FCC ID: KR5FBD5MY23
Grant Date(s): 07/19/2022

To Whom it may concerns,

Pursuant to CFR47 §2.1043, the Grantee hereby requests a Class II Permissive Change for the above identified device.

Following changes apply to the modified device:

- Second source components tested and released
- Debug line and components removed
- Placeholder for unused components removed
- Additional GND connection for crystal
- For the above listed changes the PCB layout was adopted accordingly

The above listed modifications are documented with updated Schematics, Parts List and the detailed change description entitled "OD_Declaration of changes model FBD5 (MY23-MY25)" that includes the comparison of the PCB layouts.

To show further compliance of this modified device all measurements as required by FCC rules part 15.519 and 15.247 are repeated and show comparable results to the original device.

If you have any questions, please feel free to contact me.
