For Certification of

Siemens AG**VENUS****FCC ID: KR5VENUS**

I am an electromagnetic compatibility test engineer for MIKES Product Service GmbH, Strasskirchen, Germany. My education and experience are a matter of record with the Federal Communications Commission.

MIKES Product Service GmbH has been authorized to act on behalf of Siemens AG to make FCC Part 15 Subpart C Section 15.209 certification measurements on the Immobilizer system „Venus“.

Test data required by the FCC for Certification is included in this test report.

These tests were made by me or under my supervision at MIKES Product Service Laboratory, which is registered with the FCC under Paragraph 15.247 of the FCC Rules.

It is submitted that the above equipment meets FCC requirements and Certification is hereby requested.

Klaus Gegenfurtner

Engineer

MIKES Product Service GmbH
