

INTERTEK TESTING SERVICES

1.0 General Description

1.1 Product Description

This is an application for changing the FCC ID from KTU-602572 to KTU602574 due to the request of the applicant's client. ✓

The transmitter is a controller for a remote controlled toy car operating at 27.145 MHz. The transmitter is powered by a 9V battery and the transmitting frequency is crystal controlled. There is only one control button on the transmitter. When the button is pressed and held down, the remote controlled car goes forward or reverse.

1.2 Original Identification Information

The original identification (FCC ID) of the equipment is KTU-602572 and granted on August 7, 1995. The name of grantee is Supertoys Industrial Company Ltd. The copy of the certificate is attached in Exhibit 2. ✓
