

Texas Instruments Incorporated

**12500 TI Boulevard, Dallas Texas 75243
United States of America**

July 10th, 2015

To Whom It May Concern:

On behalf of Texas Instruments Incorporated ("TI"), this is to authorize:

**Rohde & Schwarz GmbH & Co. KG
Mrs. Birgit Seitz (Project Leader)
Mühldorfstr. 15
81671 München
Germany**

to file on behalf of Rohde & Schwarz GmbH & Co. KG ("Rohde & Schwarz") applications for a change in identification under FCC Rule Section 2.933 and in Canada a multiple listing, under the radio equipment regulations of Industry Canada, with respect to the following:

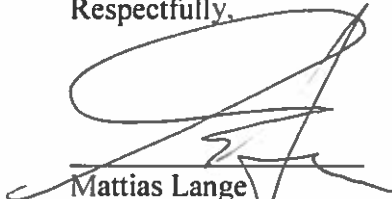

FCC ID: Z64-WL18DBMOD, IC: 4511-WL18DBMOD,

HVIN: WL1837MODGIMOC, PMN: WL18MODGI

For this purpose Rohde & Schwarz may rely on the publically available test data and application exhibits submitted to the U.S. Federal Communications Commission and to Industry Canada on behalf of TI heretofore with respect to the equipment identified by the FCC ID and the IC numbers shown herein pertaining to the grants of certification covered by this authorization letter. TI declares that the equipment that is the subject of the multiple listing authorized in this letter is identical in design and construction to that approved by Industry Canada under the identification shown above. This authorization to act using data and applications previously filed with the FCC and IC on behalf of TI is limited to the matters set forth herein and shall not be construed to grant rights or permissions to any party except as stated expressly herein.

If you have any questions concerning this authorization, please contact me.

Respectfully,

Mattias Lange
Manager, Embedded Connectivity Solutions
