Ref: Justification for placing FCC ID in the manual for the device with FCC ID: KWCR20

We, **Phonak Inc.**, 4520 Weaver Parkway, Warrenville 60555, Illinois, USA, hereby state that the text as defined in 15.19(a)(3) is too large to be placed on the label of the Device. Therefore it will be placed in a prominent location of the User Guide.

Additionally, the FCC ID will be also placed in a prominent location of the User Guide as the device is too small to have visible text (smaller than 4-6 points).

Sincerely,
