Subject: Class II Permissive Change

FCC ID: KXU-1000-9161

To whom it may concern:

The intent of the Class II Permissive Change is to:

1. Add antenna with modified layout to existing modular certification
2. Include host SAR report for module in portable operation for the host described as the Mass Notification Pendant.

Please contact us if you have any questions regarding this letter.

Sincerely,

A handwritten signature in black ink that reads "Thomas T. Smith". The signature is written in a cursive, flowing style.
