To whom it may concern,

Short-term Confidentiality

Request is hereby submitted by TELES AG Informationstechnologien to withhold from public review for a period of 180 days from the date of the Grant of Equipment Authorization and prior to marketing, certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept confidential for a period of 45 days from the date of Authorization:

- **Tune up procedure**

- **External photos**
- **Internal photos**
- **User Manual**

Rationale for request for confidentiality:

Disclosure of the short-term confidential portions of this application during the period of importation and/or distribution would reveal key aspects of proprietary technology to competitors and diminish the value of our investment in research and development.

Sincerely,

Oliver Olbrich
