Re: **Alignment Procedure**

To Whom It May Concern:

The FCC ID: L5ACMDB3 cellular phone requires no adjustment or tuning. The reference frequency is set at the factory, and there are no field-adjustable components within this product.

Sincerely,

A handwritten signature in black ink, appearing to read "Glen A. Seebruch". The signature is fluid and cursive, with the first name "Glen" being the most prominent part.

Glen A. Seebruch
