

Section 9

FCC Label Artwork

The FCC label artwork is shown below:

The label 29mm x 19mm in size.

Stick the label in the inset on the bottom center of the mouse. Replace the dummy serial number, **05090000**, with a real serial number.

The following page shows camera-ready artwork for the label. Also, camera-ready artwork files are on the CD-ROM found in the CD-ROM page.
