Re: Siemens, application for Spread Spectrum Transmitter FCC ID: L82-1408

Gentlemen:

Siemens herein submits an Application for Equipment Authorization and submission of the FCC fee in the amount of \$1130.00 along with Form 159 for certification of a spread spectrum cordless telephone system transmitter under FCC Rules Part 15 as required by the FCC Rules.

Siemens requests, pursuant to 47CFR 0.459, post grant confidentiality for portions of the material contained in this application such that the identified material will be withheld from public inspection following the grant of this authorization. This material, as indicated by request for confidentiality of the item during the electronic submission process and further identified below, includes:

1. Circuit diagrams submitted as Equipment Authorization Electronic Filing attachment:
4000handset schematics, 4010base schematics, 4200 handset schematics,
2. Parts list submitted for the 4000 and 4200 handsets and the 4010 base unit,
3. Technical descriptions submitted for the 4000 and 4200 handsets and the 4010 base unit.

Specifically, these exhibit contain information relating to circuit function and complexity that could be of benefit to competitors. The material contains trade secrets and confidential information that Siemens does not customarily release to the public and which is otherwise not generally available to the public.

Please contact the undersigned by phone at 410-531-3439, by fax at 410-531-0807, by email at jinglis@erols.com, or by correspondence at the address below if there are any further questions or additional information needed concerning this filing.

Regards,
