

Exhibit 1: FCC ID Label

Equipment Identification Label

In accordance with the requirements of Sections 15.19 (a), 2.925 and 2.926 of the FCC Rules, the following information will be permanently affixed to the Siemens Information and Communication Products, LLC, Model 242C9 as shown in the sketch's on the following pages. The FCC ID number is located on both the base and the handset, but due to the size of the handset the compliance statement is located only on the base.
