### ASSEMBLY PROCESS

Push track section together as Figure 1 engaging pins in opposite holes.
Push down the "lock" as Figure 3 to disconnect the tracks.
Lock the track holder under the corresponding track as Figure 4 following the location shown as Figure 2.
Clip the side track on the edge of the curve as Figure 5 following the location shown as Figure 2.
Attach the guard rails by clipping them onto the curved track as Figure 6 following the location shown as Figure 2.
6. Attach the side track guard rails by clipping them onto the side track as Figure 7 following the location shown as Figure 2.
7. Construction for Start/Finish stand:
a)Set up stand as A together to form it B as Figure 8.
b)Insert a logo sign with Start and Finish in the joint of the top stand.
c)Attach the Start/Finish stand on the detecting track.
8. The instruction to set up the Grandstand:
a)Construct the platform with side parts shown as Figure 9.
b)Set up the base and the top of the stand to make it stable as Figure 10.
c)Place the audience statues randomly on the platform after set up.
9. Plug the radio-control receiver into the power intake track as Figure 11, then plug the adaptor socket in the radio-control receiver as Figure 12.
10. When track layout is completed, wipe off the dust on the track with dry cloth. Place the car on the track, check that the brushes on the bottom of the car are in a vertical position and make contact with track as Figure 13.
11. Your car is now ready for racing

### OPERATING HINTS

**Hand Controller:**
Press the trigger of the hand controller to control the speed of the car.
**Car:**
Always check the brushes to make sure there is no dirt on them otherwise the cars cannot race smoothly. If the car's guide pin is damaged, pull out the old pin. Then, insert the new guide pin as shown.
**Drivers:**
Press the speed controller unit to increase speed, let it out to decrease speed. Reduce speed when going into a curve. Considerable skill can be developed in the fascinating study of where to shut off and to re-apply power.
