Peabody Massachusetts 01960 USA

This device complies with part 90 of the FCC rules.
operation is subject to the following two conditions:(1)

This device may not cause harmful interference, and (2)
this device must accept any interference received,
including interference that may cause undesired operation

This equipment complies with FCC RF radiation
exposure limits set forth for an uncontrolled
environment. This equipment should be installed and
operated with a minimum distance of 0.9 m between the
radiator and your body. This transmitter must not be co-
located or operating in conjunction with any other
antenna or transmitter. The antennas used for this
transmitter must be installed to provide a separation
distance of at least 0.9 m from all persons and must not
be co-located or operating in conjunction with any other
antenna or transmitter.
