

Declaration Letter

To Whom It May Concern,

We, COMTREND, hereby declare that the following products:

Model Name: GRG-4366u , GRG-4366

Model Name: VG-8043u , PRT-7302

Product Type: Home Gateway

are designed and intended for deployment by telecommunications service providers.

These are professional-grade networking devices intended exclusively for installation by qualified personnel. They are not designed for consumer self-installation.

Distribution is restricted to telecom operators, and all installation, configuration, and maintenance must be performed by trained technical professionals.

End users will not have access to RF or broadband network configuration parameters, nor the ability to modify wireless operational settings.

The purpose of these products is to provide broadband network access and wireless connectivity within a controlled service environment managed by the telecom operator.

This deployment model ensures that the devices operate in compliance with applicable regulatory requirements, including FCC rules, as all installations and configurations are handled by qualified personnel.

Should you have any questions, please feel free to contact us.
