LDK102039

The LDK102039 meets the criteria as set forth by the FCC for modular approval based on the following.

- 1) On board voltage regulation
- 2) On board data buffering
- 3) Unique antenna connector
- 4) Shielding on board – no external shielding needed
- 5) Own unique FCC ID

The system was tested in anon standard test fixture in order to demonstrate standalone capabilities.
