Via: Electronic filing

Att: Joe Dichoso

For: Corres. 16044

Applicant: CISCO SYSTEMS INC. FCC ID: LDK102040 EA 97790

Joe:

Your correspondence has been forwarded to Dave Case @ Cisco. Since Dave does phone you, he will have to respond to most of the items 1 through 9.

Dave later asked that we provide the conducted output power which we had measured but inadvertently omitted from the Report. This test data is now attached.

We know that you do not want 'partial responses' but Dave asked us to forward this information to you now.

He will also be 'copied' with the attached.

Hope all is going well with you.

Sincere personal regards,

A handwritten signature in black ink, appearing to read "Morton Flom", is written over the typed name.
