

The following additional items will be added to the TeamPad 500 Quick Reference guide at time of release.

1. FCC RF Exposure Guidelines:

WARNING: FCC Exposure Guidelines

To satisfy FCC RF exposure compliance requirements for a portable transmitting device, this device should be used in hand-held, hand-operated configurations only. The device and its antenna should generally maintain a separation distance of 20 cm or more from a person's body; except for the hands and wrists because of higher exposure limits for extremities. This device is designed to be used in a person's hands and its operating configurations, generally do not support normal transmissions while it is carried in pockets or holsters next to a person's body.

2. RF Devices Caution Statement / Present Certification Information

This device has been properly certified to be used with the the following RF card(s):
1. Cisco {Part:AIR-LMC352}, {FCC ID: LDK102040}, {Canada: 246 1103 2079A}.

Any changes or modifications to Fujitsu's equipment not expressly approved by Fujitsu could void the user's authority to operate the equipment per FCC regulations.

3. Installation / Servicing Procedures

Only authorized Fujitsu integrators are permitted to install and service the RF devices within this unit.
