Re: Medtronic, Inc.
Labeling for FCC IDs: **LF597715 & LF597716**

To whom it may concern,

The equipment is implanted in the human body therefore the label with FCC ID is not feasible.
Pursuant to sections 47 CFR 2.926 (e), we are proposing the following alternative method:

- 1.) The FCC ID and the statements required are in the User's Manual
