

Re: Certification for Motorola Receiver
Model: LHJ010
FCC ID: LHJ010
CANADA: to be provided

FCC and INDUSTRY CANADA ID LABEL

Shown below is a full size engineering drawing of the device, including the label that will be permanently embossed in the plastic case.

The following statement will also be printed in vehicle operator's manual:

This device complies with Part 15 of the FCC Rules and with RSS-210 of Industry Canada. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.
