Federal Communications Commission,
Authorization & Evaluation Division,
7435 Oakland Mills Road,
Columbia, MD. 21046

Attention: Equipment Authorization Branch

COMPLIANCE STATEMENT OF FCC ID: LJPNSB-8

The compliance statement can be seen in User Guide of LJPNSB-8 because the size of the handportable and its identification label are so small that the compliance statement can't be printed visible enough.

NOKIA MOBILE PHONES

A handwritten signature in black ink, appearing to read "G. Meissner".

Georg Meissner
Product Program Manager
PC Site Oulu

The wireless phone described in this guide is approved for use in GSM networks.

Export Controls

This product may also be subject to United States export controls. The United States export laws currently prohibit the export of certain technical data and software into Cuba, Iran, Iraq, Libya, North Korea, Sudan, and Syria, or any national or resident of those countries, or to anyone on the United States Treasury Department's list of Specially Designated Nationals or the U.S. Commerce Department's Table of Deny Orders. You agree that you shall not export this product in contravention of United States export laws.

FCC/Industry Canada Notice

Your phone may cause TV or radio interference (for example, when using a telephone in close proximity to receiving equipment). The FCC or Industry Canada can require you to stop using your telephone if such interference cannot be eliminated. If you require assistance, contact your local service facility.

This device complies with part 15 of the FCC rules. Operation is subject to the condition that this device does not cause harmful interference.
