1. Please provide the Block diagram of the Bluetooth device.

1. [This exhibit has now been uploaded.](#)

2. Please clearly identify the Bluetooth portion of the schematics.

2. [I have uploaded now schematics in two parts; one for BT and another for rest of the device.](#)

3. FYI - Please note that RSS210 was revised to Issue 6 in early September. References to RSS210 should be to the newer version Annex 8. In the future, please make sure that the latest RSS210 issue 6 is used.
